- Slide Competition—4th Monday

## Club History

The Jackson Photographic Society was organized and held its first meeting in April, 1945.

For over 60 years, the Jackson Photographic Society camera club has provided photographic enthusiasts in the Jackson MS area with the opportunity to improved their photographic skills and share their knowledge of photography with others.

The Jackson Photographic Society is a non-profit organization dedicated to advancing the hobby of photography through its membership. Our members truly enjoy photography and the opportunities to teach others and learn from each other through meetings, fellowship and competitions.

We encourage photographers of all levels to join our club. Everyone is welcome.
